-  This guide covers the application, preference, evaluation, placement, final registration, and post-registration processes, as well as implementation provisions, for candidates who wish to study in associate or bachelor's degree programs at Ondokuz Mayıs University for the 2025-2026 Academic Year.
-  Ondokuz Mayıs University reserves the right to make changes in accordance with Presidential Decrees, decisions of the Council of Higher Education (YÖK), and other legal regulations that come into effect after the publication date of this guide. In cases not specified in this guide, actions will be taken based on the decisions made by Ondokuz Mayıs University.
-  By applying to Ondokuz Mayıs University's international student admission quotas, the candidate is deemed to have accepted all legal regulations stated in this guide, as well as the administrative decisions of Ondokuz Mayıs University.
-  All announcements and information regarding application, preference, placement, registration, and post-registration procedures will be made on our university's official websites. Any information or notifications from other sources should not be considered valid. Announcements made on the university's official web pages will be considered official notifications, and no additional individual notifications will be sent to candidates.

2. APPLICATION REQUIREMENTS

Candidates Eligible to Apply

Provided that they are in their final year of high school or have already graduated, applications by the following candidates will be accepted:

1. Foreign nationals (provided that they enrolled in secondary education (high school) institutions in Türkiye before the 2022-2023 academic year [except for embassy schools, international private educational institutions listed in the MOBİS system, and foreign nationals brought to Türkiye under projects conducted by the Ministry of National Education]),
2. Those who were born as Turkish citizens but later lost their Turkish citizenship by obtaining permission to renounce it from the Ministry of Interior, as well as those who can certify that they hold a Blue Card, which is issued upon request to individuals who have lost their Turkish citizenship (provided that they enrolled in secondary education (high school) institutions in Türkiye before the 2022-2023 academic year) (Article 7 of Turkish Citizenship Law No. 5901 states: “(1) A child born to a Turkish mother or father within a marriage, whether in Turkey or abroad, is considered a Turkish citizen.” Therefore, candidates applying for international admission quotas are advised to review the Turkish Citizenship Law.),
3. Those who were foreign nationals but later acquired Turkish citizenship/dual nationals in this situation (provided that they enrolled in secondary education (high school) institutions in Turkey before the 2022-2023 academic year),
4. Those who are Turkish citizens and have completed their entire secondary education (high school) in a foreign country except the Turkish Republic of Northern Cyprus (TRNC) (including those who completed their entire secondary education in Turkish schools established abroad under the supervision of the Turkish Ministry of National Education),
5. Those who are citizens of TRNC and Reside in TRNC and have completed their secondary education (high school) in TRNC, possessing GCE AL exam results, or enrolled in and studied at colleges and high schools in other countries between 2005 and 2010, obtaining or set to obtain GCE AL exam results, or are TRNC citizens who have completed their entire secondary education (high school) in a foreign country and possess TR-YÖS exam results.

APPLICATION REQUIREMENTS

B Applications by the following candidates will not be accepted,

1. Turkish citizens who have completed their entire secondary education (high school) in Türkiye or the TRNC,
2. 5. Turkish citizens or dual nationals whose first nationality at birth was Turkish citizenship, as defined in section a.2, who have studied in schools affiliated with embassies in Turkey or foreign high schools in Türkiye,
6. TRNC citizens, individuals who have renounced Turkish citizenship/ Blue Card holders, and foreign nationals who enrolled in Turkish secondary education institutions from the 2022-2023 academic year onward (except for students attending embassy schools, international private educational institutions listed in the MOBİS system, or foreign nationals brought to Türkiye under projects conducted by the Ministry of National Education).

3. APPLICATION AND PREFERENCE PROCEDURES

1. All applications and preferences from within Turkey and abroad must be submitted exclusively online through the international student preference system at yostercih.omu.edu.tr. Applications that are not submitted within the dates specified in the 2025–2026 Academic Year Associate and Undergraduate Degree Programs International Student Application, Evaluation, Placement, and Final Registration Calendar, as well as those submitted in person or by mail, will not be accepted.
2. The exams and score criteria accepted for applications are determined by the Senate decision

Click here 

for the Tables of Accepted Exams and Score Criteria for
International Student Admission to Associate and Bachelor's
Degree Programs in the 2025-2026 Academic Year

3. Information on programs, quotas, and application requirements will be provided on the international student preference system webpage.
4. Candidates must log in to the international student preference system at yostercih.omu.edu.tr using their username and password during the application period and complete their registration online.
5. Candidates' self-declarations will be the basis for determining whether they meet the application requirements. All information must be entered completely and accurately during the application process. Candidates are fully responsible for any consequences arising from errors, omissions, or incorrect information provided during registration in the system.
6. During system registration, the email and phone number provided must belong to the candidate, and each candidate must register with only one email address. No actions should be taken on behalf of other candidates using this email or phone number. Candidates must not share their usernames and passwords with others.
7. Candidates' applications will be considered complete only after they pay the application fee and their applications are reviewed and approved by the relevant authorities. Candidates who submit incomplete, altered, incorrect, or false information and whose applications are therefore not approved will be notified via the email address they used for system registration. During the application process, candidates must keep their email addresses updated and check them regularly.

4. CALENDAR

The Application, Evaluation, Placement, and Final Registration Calendar for International Students in Associate and Undergraduate Programs for the 2025–2026 Academic Year is determined by the decision of the University Senate.

for the calendar

If deemed necessary, updates may be made by the University on the dates specified in the calendar. Any changes will be published at the link provided above.

5. APPLICATION FREE

- ✓ An **application fee of ₺1500** will be charged from candidates for the application process.
- ✓ The application fee must be paid online by the candidate through the international student preference system (yostercih.omu.edu.tr) during the preference stage.
- ✓ Candidates who do not pay the application fee will not have their applications accepted. Ensuring the correct payment of the fee is the candidate's responsibility.
- ✓ Candidates who withdraw their application despite having paid the fee, whose application or preference is considered invalid, who pay for a non-chargeable process, or who make multiple payments for the same transaction **will not be eligible for a refund or transfer of the paid fee.**

6. PLACEMENT PROCEDURES

- ☑ Placement processes for the 1st, 2nd, and 3rd application periods will be carried out with priority given to the results of the Exam for Foreign Students for Higher Education in Türkiye (TR-YÖS).
- ☑ The number of students accepted into a program from the same nationality cannot exceed 20% of the total program quota. However, if there are no applications or unfilled quotas, this limit will not be applied to programs with vacant spots (except for the Faculties of Medicine, Dentistry, and Pharmacy).
- ☑ According to the Turkish Citizenship Law, candidates who were born as Turkish citizens but later renounced their Turkish citizenship with permission from the Ministry of Interior or hold a Blue Card issued upon request to individuals who have lost their Turkish citizenship or are dual nationals, with one nationality being Turkish, and have completed their high school education abroad (excluding TRNC), or are Turkish citizens who meet the above criteria, are subject to a 10% quota limit when enrolling in Medicine, Dentistry, Pharmacy, Law, and Teaching programs.
- ☑ In the event of a tie in placement scores, placement will first be determined based on the HSGPA (High School Grade Point Average). If a tie still exists, the order of preferences will be considered. If there is still a tie at the end of the placement process, the younger applicant will be given priority.
- ☑ Applications to units that admit students through a special talent exam will be evaluated based on the criteria outlined in the special talent directive of the respective unit. Special talent exams will be held at the specified locations on the dates and times indicated in the calendar.
- ☑ A candidate can be placed in only one department/program within the academic year. The candidate does not have a second preference and placement right.
- ☑ Candidates' placement results will be announced on the international student preference system (yostercih.omu.edu.tr). No further notification will be made to the candidates.
- ☑ In cases where unforeseen situations arise beyond the general rules and directive procedures or if there are objections to placements, the candidate's status will be decided by the International Student Admission Commission.

7. ACCEPTANCE LETTER AND VISA PROCEDURES

- ✓ The Acceptance Letter is an official document certifying that your application to study at Ondokuz Mayıs University with your own financial means has been accepted. The Acceptance Letter will be generated through the international student preference system for candidates placed in one of their preferred programs. You can obtain your Acceptance Letter by logging into the international student preference system (yostercih.omu.edu.tr) using your username and password.
- ✓ Candidates accepted to our university must obtain a study visa from consulates or embassies using the Acceptance Letter downloaded from the application system. Since the Acceptance Letter includes a QR code and verification code for document authentication, no additional acceptance letter will be sent to candidates, embassies, consulates, or intermediary organizations.
- ✓ Receiving an Acceptance Letter does not grant candidates the right to final registration. Candidates who fail to apply within the specified period or do not submit the required documents will not be registered. These candidates will be considered as having given up their right to enroll.

8. REGISTRATION PROCEDURES

- ✓ To complete the final registration, candidates must have legal residence status in Turkey and provide proof of this with documents such as a passport, residence permit, etc. If, as a result of document verification, a candidate is found not to have legal residence status in Turkey or to have violated the legal residence period, their final registration will not be completed, and if their registration has already been completed, their relationship with the University will be terminated. No refunds will be given to candidates in such cases.
- ✓ Candidates who have been granted the right to enroll at the university can complete their registration by personally applying to the Student Affairs Office with the required documents or by completing the pre-registration electronically within the specified dates. Candidates who wish to register are required to pay their tuition fees.

8. REGISTRATION PROCEDURES

- **In-person registration:** Candidates who choose in-person registration must log in to yostercih.omu.edu.tr using their username and password to schedule an appointment. They must be present at the Student Affairs Directorate on the date and time of their scheduled appointment.
- Directions to the Student Affairs Directorate can be found at <https://www.omu.edu.tr/tr/haritalar>.
- **Pre-Registration:** Pre-registration is a temporary registration right provided electronically by the university to international students. This process is carried out in two stages: following the temporary registration made online, it becomes final registration upon the in-person submission of the required documents to the Student Affairs Office.
- If a foreign student completes an online temporary registration while inside Turkey, they must provide proof that they were legally residing in Turkey at the time of final registration.
- **Conditions for Temporary Online Registration:**
 - Students who are not required to submit a Turkish proficiency certificate will be granted the right to pre-registration on the condition that they pay the international tuition fee. Students who are required to submit a Turkish proficiency certificate will be granted the right to pre-registration on the condition that they pay both the international tuition fee and the OMÜ-TÖMER fee.
 - Students admitted to programs requiring special talent exams are not eligible for pre-registration.
 - Students who have completed pre-registration must submit their original documents before the course registration deadlines specified in the university's academic calendar to finalize their registration.

- Students who complete pre-registration are required to personally submit their original documents and finalize their registration by the deadline set by the Council of Higher Education (YÖK) for international student enrollment. At the stage of converting their temporary registration into final registration, students are required to provide documents proving that they are within their legal stay period in Turkey. If a student cannot present the necessary documents, does not have legal residence status in Turkey, or is found to be in violation of the legal stay period, their final registration will not be completed, even if they have already completed temporary registration. Any fees paid will not be refunded.
- If students who have completed pre-registration fail to submit their documents and finalize their registration in person by the final registration deadline set by YÖK for that academic year, or if their submitted documents are found to be incorrect, incomplete, or misleading, their registration will be canceled by the decision of the administrative board of the department they are enrolled in, without any prior notice.

8. REGISTRATION PROCEDURES

- ✓ Candidates who do not complete their registration within the announced registration period will be considered to have forfeited their right to final registration.
- ✓ Students who have gained the right to enroll must sign the “Student Declaration, Acceptance, and Financial Sufficiency Commitment” section of the International Student Registration, Commitment, and Document Submission Form, which confirms their financial ability to sustain their higher education in Turkey.
- ✓ If a student is found to be already enrolled in another university in Turkey at the same program level, their registration at Ondokuz Mayıs University will not be processed, as confirmed through the YÖKSİS system.

Any updates regarding the required registration documents will be published on the university's website in accordance with future regulations or amendments made by the Council of Higher Education (YÖK).

If it is determined that a student does not meet the application and final registration requirements or has applied with missing, incorrect, or misleading information and documents, their final registration will not be completed. Even if their registration has been finalized, their enrollment will be canceled.

10. INTERNATIONAL STUDENT TUITION FEES

- ☑ Candidates who wish to complete their pre-registration in person or online are required to pay their tuition fees before registration.
- ☑ The tuition fees/contribution fees to be collected from students registering under the International Student Admission Quotas are determined by the University Administrative Board in accordance with the relevant provisions of the regulation titled “Decision on the Determination of Student Contribution Fees and Tuition Fees to be Collected as Student Contributions to the Current Service Costs in Higher Education Institutions”, which is published annually in the Official Gazette.
- ☑ If the “Decision on the Determination of Student Contribution Fees and Tuition Fees to be Collected as Student Contributions to the Current Service Costs in Higher Education Institutions” for the 2025-2026 academic year is published during or after the registration period, the tuition fees will be collected based on the decision published in the Official Gazette for the previous year’s fall semester. Any differences (+/-) in tuition fees due to changes made by the authorized authorities or adjustments determined by the University Administrative Board will be applied to the tuition fee for the following Spring Semester.

11. OBLIGATIONS OF INTERNATIONAL STUDENTS

International students are required to;

- ☑ Notify the university within 10 days of any changes related to their personal, civil, or academic status.
- ☑ Obtain and renew their residence permits and health insurance within the legally required timeframes throughout their studies and submit their Residence Permit Document and foreign identity number to the International Student Office.
- ☑ In case of loss of their residence permit card or passport, immediately report it to the relevant authorities and obtain a new one within 20 days.
- ☑ Report any change of residence address to the university and the local official authorities of both their previous and new locations within 2 days.
- ☑ The email address and phone number provided by international students to the university serve as the official communication channels between the university and students. No physical mail notifications will be sent. Students are responsible for updating their current email address and phone number through the Student Information System and notifying the relevant units within two (2) days in case of any changes. They are also required to follow announcements and notifications made through these communication channels.
- ☑ All information, documents, and announcements shared on the university's Student Affairs Directorate, International Relations Office, and relevant faculty/unit websites are considered official notifications. International students are responsible for following these announcements and taking the necessary actions accordingly.
- ☑ Comply with the conditions outlined in the Ondokuz Mayıs University Associate and Undergraduate Degree Programs International Student Directive, complete their final registration within the announced registration period, and submit all required registration documents fully and on time to the International Student Office.

12. HEALTH INSURANCE

- ✓ International students enrolled in associate and bachelor's degree programs are responsible for covering their health expenses through health insurance that they must arrange themselves.
- ✓ International students who enroll at the university may benefit from the general health insurance by submitting a written request to the Social Security Institution within three months from the date of initial registration and by paying the general health insurance premium.
- ✓ Students who do not submit a written request to the Social Security Institution within the three-month period to obtain general health insurance will not be eligible for general health insurance for the remainder of their studies. If an application for General Health Insurance is not made within three months from the initial registration date, obtaining a private health insurance policy becomes mandatory in order to receive a residence permit (legal stay status) in Turkey.
- ✓ International students are required to have health insurance for the entire duration of their stay in Turkey. To avoid any problems during their education and to prevent any difficulties related to health, please carefully follow your health insurance procedures. Throughout their education, students must register for courses every semester/year and maintain active student status. If a student fails to register for courses, their information will be reported to the Migration Management Office, and their residence permit will be canceled. Therefore, students must ensure they comply with these requirements to avoid any issues and maintain their legal residence status.

13. INTERNATIONAL STUDENT RESIDENCE PROCEDURES

- ✓ The “Student Residence Permit” is a document you need to obtain provided that you have legally entered our country and do not have any other legal residence status in Turkey (such as a Blue Card, international protection applicant/status holder, temporary protection holder, work permit holder, etc.).
- ✓ Upon arriving in Turkey, you must first complete your university registration, and then, in order to stay legally, you are required to obtain a student residence permit from the Samsun Provincial Directorate of Migration Management while you are still within your visa or visa exemption period.

- ✓ After obtaining the Residence Permit, a copy must be submitted to the Student Affairs Office, Residence Procedures Unit. Students who do not submit this document will not be able to register for courses or receive a student certificate in the following academic term.
- ✓ The residence permits (legal stay rights in Turkey) of inactive students are canceled by the Samsun Migration Management Directorate. To avoid any legal issues and to continue your education without interruption, you must register for your courses every academic term and maintain your student status as active.
- ✓ In the case of changing your university or department within the same city, you must notify our University Residence Procedures Office and the Samsun Migration Management Directorate within 20 days following the change. If you will continue your higher education in a different city, this notification must be made within 10 days following the change. Additionally, if there are any changes to your personal information (such as marital status, address, passport, or similar), you must report these changes within 20 working days. Making these notifications is important to maintain your legal residence status in Turkey.
- ✓ It is your responsibility to be aware of the legal regulations regarding the residence permit, to complete the necessary procedures, and to follow the process. Please make sure to comply with the established rules to avoid legal problems or administrative fines.
- ✓ For detailed information regarding all your questions and issues, you can call YİMER/157 (Foreigners Communication Center) free of charge, contact our University Residence Procedures Office, or review the pages below.

14. OTHER CONDITIONS AND EXPLANATIONS

- ☒ If a candidate is placed in a program or has completed registration despite not meeting the application requirements or providing misleading or incomplete information, this does not grant them the right to continue their student status. If it is determined that a student has applied or registered with incorrect, misleading, or incomplete documents, their final registration will not be processed. Even if the registration has been completed, their enrollment will be canceled.
- ☒ Students who have gained the right to register must sign the “Student Declaration, Acceptance, and Financial Sufficiency Commitment” section included in the Student Registration, Commitment, and Document Submission Form, which is prepared by the university. This confirms that they have sufficient financial resources to continue their higher education in Turkey.
- ☒ Applications to programs that admit students through special talent exams are evaluated according to the criteria specified in the relevant special talent exam regulations. These exams are held at the designated locations and times stated in the academic calendar. Students who pass the special talent exam will be officially reported by the relevant departments to the Student Affairs Directorate for final registration.
- ☒ The mandatory foreign language proficiency and placement exam and preparatory class education are conducted in accordance with the Ondokuz Mayıs University Foreign Language Education and Teaching Directive.
- ☒ Students who complete their final registration with a Temporary Graduation Certificate are required to submit the original copy of their high school diploma no later than one month before the start date of the spring semester specified in the academic calendar of the registered academic year. Students who fail to submit the original high school diploma within the specified period will have their registration canceled by the decision of the administrative board of their department without any prior notification..
- ☒ Students who register with a “Graduation Eligibility Certificate” are required to submit the original copy of their high school diploma by the deadline set by the Council of Higher Education. Students who fail to submit the original high school diploma within the specified period will have their registration canceled by the decision of the administrative board of their department without any prior notification..

13. OTHER CONDITIONS AND EXPLANATIONS

- ☑ The registrations of international students who do not enroll in courses, do not pay fees, or do not continue their education for two consecutive years will be canceled by the decision of the administrative board of their department without any prior notification.
- ☑ International students can change their university only once within the same academic year. Candidates should take this into consideration before applying. If it is determined that a student has changed their university more than once within the same academic year, their registration will be canceled, even if it has already been completed. Tuition fees paid will not be refunded.
- ☑ For determining Turkish proficiency levels, only certificates obtained from OMÜ- TÜRKÇE will be accepted. Additionally, Turkish proficiency certificates from other institutions will be evaluated by OMÜ-TÜRKÇE, and only those deemed valid will be accepted.
- ☑ Candidates who meet the following criteria are not required to submit a Turkish proficiency certificate, as their level of Turkish will be considered sufficient to begin their academic programs:
 - Turkish citizens
 - Dual citizens, where one of their nationalities is Turkish
 - Students who completed their secondary education (high school) in Turkey at schools affiliated with the Ministry of National Education
 - Students who completed their secondary education abroad at Turkish schools officially recognized by the Ministry of National Education
 - Students who completed their secondary education in Turkey's Open High School international programs
 - Students who already hold an associate or bachelor's degree from a Turkish university
 - Those who were born as Turkish citizens but later renounced their Turkish citizenship with permission from the Ministry of Interior (including Blue Card holders)
 - International students admitted to associate or bachelor's degree programs taught entirely in a foreign language.
- ☑ Students who do not have a C1-level Turkish proficiency certificate:
 - Will be granted a four-semester leave of absence from the start of the academic year to improve their Turkish proficiency. Those who submit their certificate during or at the end of this period will be allowed to begin their studies in the following semester.
 - Students who register at Ministry of National Education-approved Turkish
 - language centers or state universities' Turkish learning centers will be considered as studying outside the university. Students who do not enroll in OMÜ-TÜRKÇE or another approved institution will be classified as inactive and will not receive a student certificate.
 - If a valid C1 Turkish proficiency certificate is not submitted by the end of the fourth semester (the deadline for certificate submission is specified in the university's academic calendar each year), the student's registration will be canceled without further notification.

13. OTHER CONDITIONS AND EXPLANATIONS

- ☑ Archiving and Returning of Original Documents Required for Registration of Currently Enrolled and Newly Admitted Students:
 - A digital copy of the original documents submitted by students during final registration will be archived electronically, and the original documents will be returned to the student against signature.
 - The original documents submitted by currently enrolled students for final registration are archived electronically. Upon request, the original documents will be returned to the student or to an authorized representative with a notarized power of attorney against signature.
- ☑ Ondokuz Mayıs University has the authority to make changes to the international student admission process, including announced dates, applications, preferences, registration procedures, required documents for final registration, tuition fees, and all other stated conditions and guidelines. Decisions regarding these changes and related announcements will be published on the university's website. These announcements will serve as official notifications, and no additional individual notifications will be sent to candidates. It is the candidate's responsibility to check for updates regularly.
- ☑ During the application, selection, placement, registration, and post-registration processes, all communication between the university and candidates will be conducted through the university's official email addresses and the email addresses provided by candidates during their application. Therefore, candidates must regularly check their email inboxes for messages from the university. The email address provided must be personal, up-to-date, and accurate, as each candidate is required to use only one email address. Additionally, this email must not be used for communication on behalf of other candidates.
- ☑ By applying to associate or undergraduate degree programs at Ondokuz Mayıs University within the scope of international student admission quotas, candidates are considered to have accepted and met all the conditions specified in the "Ondokuz Mayıs University Associate and Undergraduate Degree Programs International Student Directive" and the "Regulations on Admission of Students from Abroad" set by the Council of Higher Education (YÖK). If, during the application, registration process, or after enrollment, it is determined that the student does not comply with the provisions of the mentioned directive or with other rules and conditions set by the University, the student's registration will be terminated, and their affiliation with the University will end.
